Dear Correspondents/Principals,

We are very happy to invite you to join in the National Movement journey from India's 75 years of Independence to 100 years, making India as a Global Leader-Viswa Guru Bharat.

Today Ancient India has become a Young India with an average working force of India is 29 years. You can make your students as global leaders.

You will be happy to listen to Dr.APj Abdul Kalam's last Presidential message to the nation introducing Dr Sudershan Acharya and further saying that, Lead India is a proven and tested National Youth Movement mission-oriented program that should be imparted to all students of India to achieve Developed India. Please listen to link: <https://www.youtube.com/watch?v=I0pHhMbct54>

Make your students as Change Agents, making your school a Centre of Excellence

Lead India Foundation has come up with "Acharya Kalam's National Transformation Model" by imparting 5 days of (preferred residential) Training of Trainers to selected Vi th to Xth students as Change Agents with " Aap Badho Desh Ko Badaho" TM (ABDB) setting personal life goals for Physical, Mental, Social, Spiritual and National goals. In turn, they train all other students of their respective schools with the support of our Master Trainers.

Teachers are trained as Mentors

Similarly, your selected teachers are trained as Mentors to sustain the transformation in students and develop your school as a Centre of excellence, as a Nation builder.
